

Upper Shawme Lake There are many beautiful views of Upper Shawme Lake and hand-hewn benches to rest on.

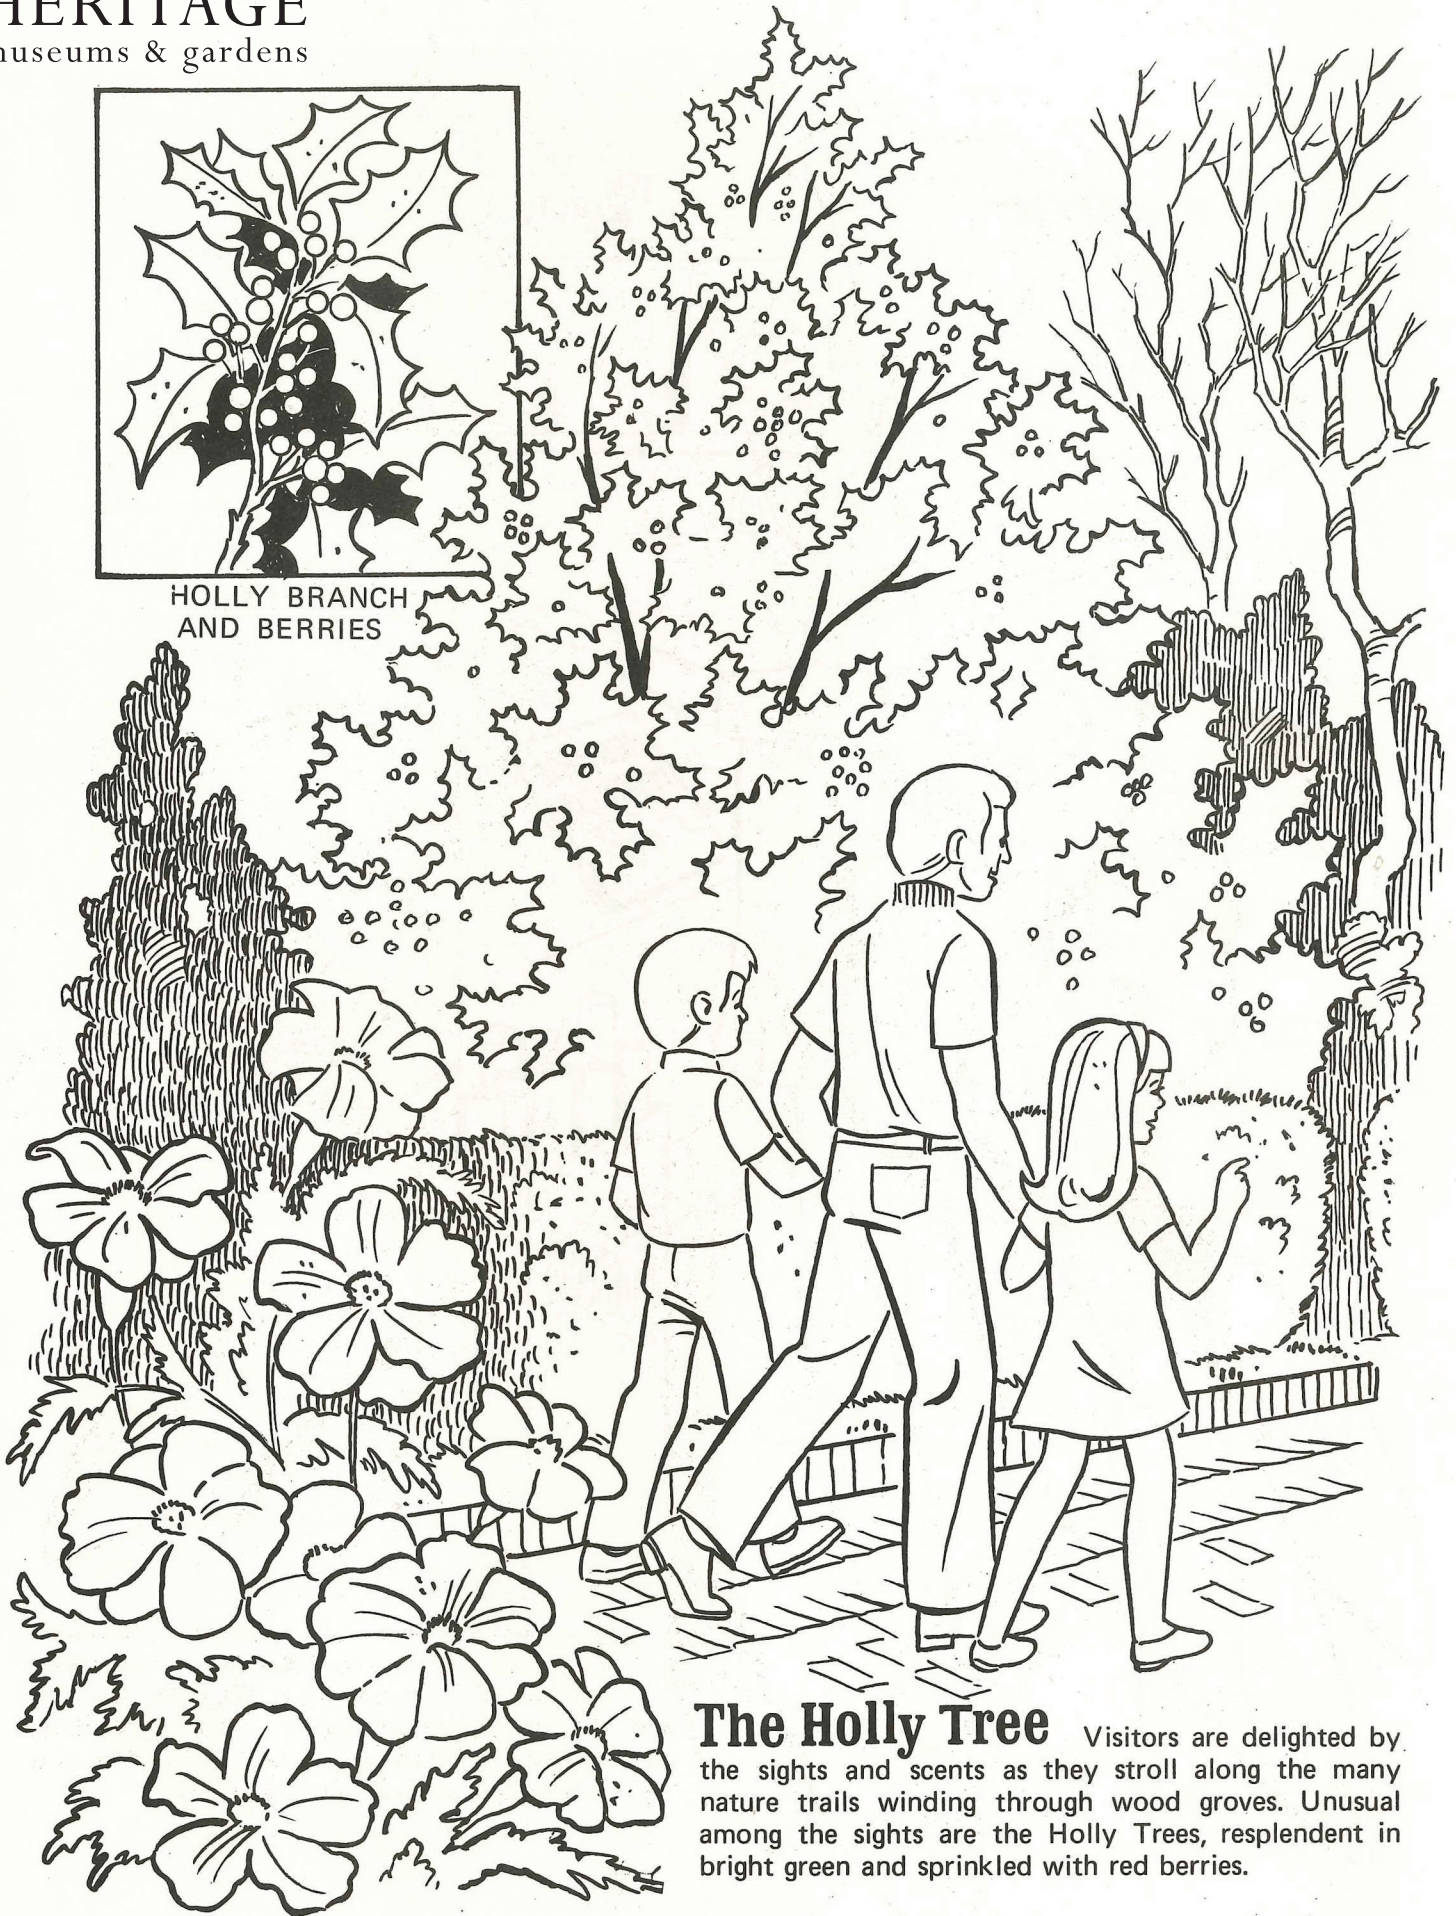

Rhododendrons

Seventy-six acres of landscaped grounds delight visitors to Heritage Plantation. Outstanding among the displays are the Dexter Rhododendrons, whose blooming period each May, June, and July presents a remarkable and memorable spectacle.

HOLLY BRANCH
AND BERRIES

The Holly Tree Visitors are delighted by the sights and scents as they stroll along the many nature trails winding through wood groves. Unusual among the sights are the Holly Trees, resplendent in bright green and sprinkled with red berries.
