

PHOTOGRAPHY REQUEST FORM

Thank you for your interest in photography at Heritage Museums & Gardens. We encourage visitors to take casual photographs of the gardens and indoor collections for their own use unless otherwise noted by staff or signage. Photos must be taken with cell phones, hand-held cameras, or cameras on a permitted tripod. Make sure to tag us on social media! #heritagemuseums

All photography sessions require advanced approval with a reservation. This includes portrait photography, group sessions, student, non-profit, wedding parties and all request for commercial photography & videography. To book your photography session, please complete the form below.

Large groups, wedding parties and before/ after hours require a deposit. Refer to rate structure listed in Photography Package for all rates and fees.

Heritage Museums & Gardens will require a description of your project and other information to process your request.
