

Corporate Membership Program

A Corporate Membership at Heritage Museums & Gardens provides valuable benefits to your business, clients and your employees and sustains our mission by providing vital support for our education programs, family memory making, and preservation efforts.

Reward and Retain Employees

Each Corporate Membership level includes **benefits your employees and clients will appreciate**, such as reusable passes and one-time use tickets good for free admission to Heritage during our Main Season as well as early garden access on Member Mornings, every Monday, Wednesday and Friday.

Support your Community

In addition to providing one-time use tickets for your staff and/or clients, a Heritage Corporate Membership also includes one-time use tickets that you can donate to the charity or nonprofit of your choice.

Your support helps maintain our buildings and grounds and enables Heritage to continue to provide opportunities to learn and explore, to relax and play, and to make memories with one another for generations.

What makes Heritage special?

As a Heritage Corporate Member, you and your staff have access to 100 acres of magnificent gardens in the heart of historic Sandwich. Explore a diverse range of landscapes, including formal gardens, lush woodlands, and serene water features. The gardens feature a variety of plant species from flowering trees, daylilies and hostas to the internationally important collections of rhododendron and hydrangeas – creating a visually stunning environment throughout the seasons.

Heritage also houses various exhibits including world-class automobiles, a working vintage carousel, a Wampanoag wetu, American folk art, and changing special exhibitions. Hidden Hollow, our outdoor discovery area, encourages families to explore nature together while engaging curiosity and creativity. In November and December during Gardens Aglow, Heritage is transformed into a winter wonderland featuring beautiful light displays, festive seasonal décor, and fun activities for all.
